

If not turned in at schedule pick-up or EagleQuest, please return completed form to Main Office.

Parent/Guardian Options – Response Requested

Child's Name (Printed): _____ Grade Level: _____

Electronic Communications

In order to enhance the efficiency of communication and minimize costs, Eastwood Middle School utilizes electronic copies of our monthly newsletters and report cards (both mid-term and quarterly). However we recognize that parents/guardians may have a need for a paper copy of these communications. Please indicate below if you require a paper copy. Paper copies are sent home with students the same day that electronic report cards are posted to Skyward. Changes to these options may be made any time during the year.

Check the box(es) below for each item for which you require a paper copy.

FINO Sessions – Delayed Assignment

For full *Failure is Not an Option* (FINO) information, please see the program description which will be available at schedule pickup and EagleQuest at the beginning of the school year.

Students who accrue three (3) or more assignment infractions (missing, late, incomplete, lack of quality) in a given class within a 9 week quarter will be assigned to an after school FINO session. These sessions typically run Tuesday-Thursday evening after school until 5:45 PM. Late bus transportation is provided to students who live within Eastwood school boundaries. Commonly, these after school sessions are assigned the same day the 3rd infraction occurs. If you would like to request a 24 hour delay to make any arrangements for these after school sessions, should your child be assigned, please indicate below.
