## Fall Sports Start-Up Dates

All students are eligible to play fall sports regardless of their last report card from last spring. They must maintain eligibility of a 2.0 GPA at mid-terms and at the first grading period which ends October 6th, 2017.

All students trying out for a sport must have a completed physical form turned in to their coach *before* they can participate in that sport. This includes tryouts and practices. Blank physical forms are included in this packet, available at the front desk, and can also be downloaded from the Eastwood and district website.

Sixth-graders are not eligible to participate in Soccer unless there is a shortage of players. In that case, there will be a callout for sixth-graders to try out for the team. **Sixth Grade Students are eligible to participate in the following sports:** Tennis, Cross Country, Wrestling, and Track.
